Linda Larson Schlitz  
Employment & Training Counselor  
Wausau Job Center  
364 Grand Ave  
Wausau, WI 54403

Dear Linda,

On behalf of Governor Scott Walker, I want to congratulate you on the well deserved recognition you received recently in the *Wausau Daily Herald*. All of us were pleased to read the comments of Melanie Clark in nominating you for the newspaper's 2012 Person of the Year. With 2012 proclaimed the Year of the Veteran by Governor Walker, what Melanie had to say about your work with veterans, including her son-in-law, was heart warming. If not at the Job Center, you are serving the community, the less fortunate in particular, through your other job as president and CEO of a homeless shelter. With your energy, commitment and compassion, you set an example for all to follow.

While the newspaper chose others as finalists for the award, we at DWD want you to know that in our book, you are a true winner. Once again, congratulations.

Sincerely,

A handwritten signature in black ink that reads "Reggie Newson".
