*Attn: Nominating Committee*

**Dear Sirs:**

I am honored to nominate Dr. Juanita Brigman for the George Goodman and Ruth P. Brundney Social Work Award.

While working to obtain her professional designations and functioning as a full-time mother, she remained committed to helping members of the community and her family through her passionate desire to help others. She has worked and volunteered at facilities for high-risk adolescents, community outreach programs, Federal prisons and lectured at business and professional functions. I am most proud of her because throughout her journey, she never left her Christian faith behind and was a regular participant in activities sponsored by the National Women's Council of the House of God church. Most memorable was her trip to Zimbabwe Africa to assisted missionaries with the development of social programs for orphans in that country.

I can't think of a better person to be present to you for this prestigious award as Dr. Juanita Brigman.

Sincerely,

Juanita C. Dailey
